Saudi Vision 2030
The Kingdom is aiming to be:

A Vibrant Society  
A Thriving Economy  
An Ambitious Nation

This will be achieved through 96 strategic objectives

These Goals will be Achieved via The Vision Realization Program

37 of Vision Strategic Objectives are cascaded to The National Transformation Program

The National Transformation Program consists of 8 themes:

- Transform Healthcare
- Contribute in the Enablement of the Private Sector
- Improve Living Standards and Safety
- Ensure Sustainability of Vital Resources
- Achieve Governmental Operational Excellence
- Social Empowerment and Non-profit Sector Development
- Labor Market Accessibility and Attractiveness
- Develop the Tourism and National Heritage Sectors

Main Governmental Agencies Involved in the National Transformation Program
The National Transformation Program aims to:

1. Achieving Governmental Operational Excellence
   The aim is to raise the quality of government services that are provided to individuals as well as private and non-profit organizations.

2. Improving Economic Enablers
   The aim is to support achieving the Kingdom’s Vision 2030 by: supporting the growth of the private sector, raising the attractiveness of the labor market, ensuring the sustainability of the vital resources, and developing the tourism and non-profit sectors.

3. Enhancing the Standards of Living
   The aim is to provide beneficiaries (citizens, private, and non-profit sectors) with improved systems of social services, healthcare, and safety.

This will be achieved through accelerating the implementation of the primary and digital infrastructure projects as well as engaging stakeholders in identifying challenges, co-creating solutions, and contributing to the implementation of the program’s initiatives.
